Learn Lead Succeed

ISSUE 3 • SEP 2023

To the graduating class of 2023,

Congratulations, we've reached the finish line! After 13 years of schooling, we've made it to the end of our year 12 journey. As we stand on the brink of a new chapter, it's essential to reflect on the remarkable memories we've created together. Well, another amazing year has passed at Auburn Girls High School, one filled with memories and growth. But I'm afraid to say that, for the class of 2023, this is also our last.

Remember the Year 7 camp, Taronga Zoo, Luna Park, life ready excursions? Those were simpler times, filled with laughter and smiles. Our biggest concerns back then were school gossip and dramas, and life seemed much more straightforward. Now, as we prepare for the HSC, it's natural to feel the pressure and stress building.

But let's not forget to celebrate our past achievements. Each one of us has overcome trials and challenges, and many have met the minimum standards required. We've also forged lifelong connections with friends, teachers, and mentors who have supported us along the way. It's comforting to know that we have shoulders to lean on during tough times, people to share our successes with, and friends to goof around with when we need a break.

Congratulations again, Class of 2023. Our journey is just beginning.

Principal's Report

Dear Parents and Carers

It has been an absolute pleasure in relieving as principal while Ms. Bilali has been on leave. As usual, school activities are diverse and include learning in a variety of forms. In our junior classrooms we have seen activities centered around explicit instruction, a broadly used teaching method that allows teachers to gradually guide students through new content and skills at a pace that is appropriate for their learning. While year eleven students have been revising for and sitting examinations, our year 12 students have been busy finishing off their course work and completing practice HSC examination questions.

Alongside our classroom learning we have held achievement assemblies, recognising the day to day efforts of our students. Often overlooked, students recognised in these assemblies have built habits that improve their learning and contribute to a positive school environment. These habits include regular school attendance, respectful communication and wearing our school uniform with pride. I would like to again congratulate all the students who received awards at these assemblies.

On Monday September 11th I was lucky enough to accompany two of our student leaders to the *Jessie Street Library Fundraising Luncheon*.

Jessie Street was an Australian diplomat and lifelong campaigner for women's rights. Held at NSW Government House the luncheon was a celebration of historical campaigns surrounding women's rights, attended by friends of the library and student leaders from a range of different schools.

Congratulations to Sarah C and Maryam H for representing our school with such confidence.

You may be aware that as of next term, mobile phones will be banned in all schools in NSW. As Auburn GHS has had a strict ban on these devices for four years now, there is no need for us to alter our policy. This is, however, a timely reminder to all members of our school community to ensure school is distraction free and follow our school rules on mobile phones. By supporting our school in not allowing mobile devices to be used at school, we are redirecting student focus towards learning and progress. If mobile phones are at school, they are to be turned off and away at all times. It is encouraging that all schools in NSW will have consistent expectations of students.

2024 Student Leadership Team

I am proud to announce the 2024 Auburn Girls High School Leadership Team. After a rigorous selection process the following students have accepted the privilege of representing our school as the 2024 Student Leadership Team. Congratulations and I look forward to working with this inspiring team of leaders.

2024 Leadership Team

We wish Year 12 2023 the best of luck in their upcoming HSC Examinations and look forward to celebrating their achievements at our Year 12 Graduation Ceremony.

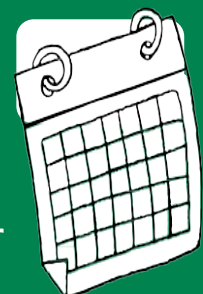

I hope that all our school community enjoys a wonderful and restful break during the school holidays.

YEAR 12 HSC EXAMS 2023

Wednesday 11th October to Friday 3rd November

Auburn Girls High School
Staff and School Community

DOC23/1481887

Dear Staff and Community of Auburn Girls High School,

I write to explain to you that Ms Anna Tsoutsas will be returning to her position at Auburn Girls High School as substantive Principal, next term from Week 2, Term 4 (16 October 2023).

Mrs Suada Bilali will be returning to her position as the Principal of Bankstown Girls High School at the same time.

I would like to take this opportunity to sincerely thank Mrs Bilali for her work as the Relieving Principal of Auburn Girls High School during Terms 1, 2 and 3 this year.

I know this has been a position that she has relished as she has a deep commitment to this school having worked at the school for a substantial period of her career.

I wish Mrs Bilali all the best in her return to Bankstown Girls High School to continue her outstanding work.

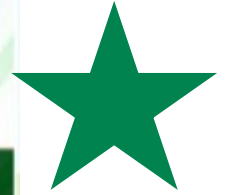

Yours sincerely

John Kennedy
Director, Educational Leadership

Students OF THE MONTH

JUNE 2023

Ameline Wong, Year 11 has been an active member of her year group and the leadership team. She has gone out of her way to help create a positive environment here at Auburn Girls High School, particularly assisting with School Spirit Week.

She has also recently completed a university Leadership unit with distinction. Nothing is too difficult for her, she manages to help teachers, fellow students and the school while maintaining a great commitment to her studies.

Ameline is also a positive role model amongst her peers.

Congratulations Ameline on achieving student of the month for June, keep up the fantastic effort!

JULY 2023

Shebratu Kamara, Year 9 is an exceptional student who deserves to be nominated for student of the month. She has been an active member of the dance team and has shown great leadership skills by mentoring younger students. Shebratu is always willing to support her peers in class and is a positive influence on those around her. She has a great work ethic and is always willing to go above and beyond what is expected of her.

Her dedication and commitment to her studies and extracurricular activities makes her a shining example of what it means to be a student at Auburn Girls High.

Congratulations Shebratu on achieving student of the month for July, keep up the hard work!

AUGUST 2023

Reihaneh Rahmati, Year 10 is an outstanding student. She is kind and courteous and always applies herself to the best of her ability in class. She has achieved some fantastic academic results this year. Reihaneh is also a library monitor and helps in the library nearly every break. She is always willing to do whatever jobs need to be done and in her own time she has created many posters for the library, written numerous book reviews and has also written a story for the Cumberland Library.

Reihaneh is always willing to help other students in the library with any issues they may have and is a positive role model for other students.

Congratulations Reihaneh on achieving student of the month for August, keep up the hard work!

Deputy Principal's Report – Year 7 & 11

Our Year 11 students are currently completing their end of Year 11 Course examinations for their subjects, 6 September to 18 September. This marks the end of Year 11 coursework and Year 12 work will follow. This is the beginning of the journey to the Higher School Certificate Examination and our students are working hard to achieve this. Year 11 have spent countless hours revising, summarising and have demonstrated a commitment to their learning and we wish them all the very best.

Year 11 will also take part in their Orientation Day, which will take place 13 October, at the Parramatta Park Royal. Students will be issued with their Year 12 Assessment Booklet for 2024 and will be exposed to several presentations concerning motivation, study techniques and NESA requirements and resources.

Our Year 7 students have enjoyed a very busy term, engaging in composing structured speeches, writing letters, creating works of art and solving mathematical problems. They are also completing a variety of assessment tasks, in preparation for their Yearly Examinations in Term 4.

Year 7 have also taken part in subject selection for 2024, selecting from a variety of languages to complete their one hundred hours of mandatory language study. Students can choose to study Arabic, Korean, Japanese, French or Italian. Subject selection is done online through the use of Edval and students complete the process by submitting a downloaded copy of choices to the Deputy Principal, signed by parents or guardians.

Lastly, I wish to congratulate Sara Mansour of 7E for being a recipient of the White Merit Badge award. She is the first student in Year 7 to be awarded this, which is a splendid achievement. She has shown us through dedication, hard work and motivation, that anything can be accomplished, and she is a fine role model for all our students at Auburn Girls High School. Again, congratulations Sara for your commitment and dedication.

Deputy Principal's Report – Year 8 & 10

Term 3 has been an incredibly busy and rewarding time for both Year 8 and Year 10 students.

Early in the term, Year Advisors had the privilege of selecting students to attend the Students of Excellence Luncheon. These students were selected based on their Semester 1 report recognising the academic excellence and academic effort demonstrated throughout Term 1 and 2. The selected recipients were presented with a gold award and enjoyed a lunch with their Year Advisor, Deputy Principal and Principal. Congratulations to the following students for their impressive efforts.

The Wellbeing excursion was a highlight of the term, where students had the opportunity to bond with their year group as they walked across the Harbour Bridge making their way from Milsons Point. Lunch in Circular Quay was the perfect way to end the day and provided the opportunity to reward students and build connections amongst their peers and teachers.

In Week 6, formal year assemblies were held to recognise and celebrate the success and academic achievement of students across all subject areas. This is a fantastic opportunity to praise students who have demonstrated academic excellence or have consistently applied themselves and demonstrated a diligent approach to their studies. These assemblies also allow students to perform in front of their peers and showcase their drama and dance skills. This term has also seen students be rewarded with merit badges and progress to Level 3 of the Rose Gold Award for exceptional behaviour, attendance and uniform.

Year 8

All Year 8 students have been fortunate to engage in the Unstoppable Kids program which was delivered to student groups for one hour each Thursday. This amazing program was designed to help students cultivate mental strength and develop positive mental health. The feedback from students and staff involved have been overwhelmingly positive as Year 8 have been able to develop stress management skills, resilience building techniques and strategies to control thinking, emotions and behaviour. These skills are not only essential to overcome challenges at school but are crucial for a healthy and fulfilled life.

In Week 8, students attended a Stage 5 subject selection presentation. This was an exciting time for Year 8 as they begin to design their own pattern of study. Looking at interests, abilities and career aspirations, students made elective choices for Stage 5. These electives are two-year courses which will be completed in Years 9 and 10.

Year 10

Term 3 was also an important time for Year 10 as they made their subject selections for their senior years of study. Year 10 students were fortunate to each be allocated a mentor from the executive team to discuss their career goals, proposed HSC pattern of study and the appropriateness of courses being selected. Having a mentor assisted students in making informed choices when selecting their senior courses that are best suited to their abilities. Students who selected courses against recommendation will engage in a Compulsory Homework and Tutoring (CHAT) club from 3-4pm on Monday or Thursday during Weeks 2 to 9 in Term 4. CHAT club is led by qualified teaching staff and is designed to improve academic and organisational skills in preparation for their senior studies.

I have thoroughly enjoyed working with Year 8 and 10 and I wish everyone a safe and relaxing holiday.

Year 8 Wellbeing Excursion

Deputy Principal's Report – Years 9 & 12

Year 9

It has been an eventful term 3 with a number of students participating in various activities and achieving fantastic results for effort, excellence and attitude.

Wellbeing Day Excursion & Incursion

Year 9 participated in the Wellbeing Day Excursion and Incursion programs in August. The excursion program involved exploring Sydney sites which included walking from Milson Point across the Harbour Bridge to Circular Quay. Students enjoyed a picnic before returning to AGHS. The feedback from students and staff at the end of the day was a lot of smiles, appreciation and a better understanding of their city. Well done to the young ladies who represented our school with respect and grace. It was a delight to hear about everyone's picnic day and walks.

Students who stayed at school for the incursion were able to participate in multiple workshops that covered useful life skills and topics related to etiquette, emotional intelligence, respect and empathy. Workshops were run by classroom teachers and external providers including PCYC, and the Giants.

Overall, Wellbeing Day was a positive experience for all participants, and we congratulate all students for their positive participation.

Awards and Recognition

The *Student of Excellence Luncheon 2023* celebrates the *Academic Excellence and Academic Effort* of students in all year groups. As Deputy for Year 9, it is uplifting and positive to see the formal recognition of the following students from the Year 9 class of 2023 in academic excellence and effort:

Year 9 Academic Excellence	Year 9 Academic Effort

Year 12

Term 3 has been the *Term of Lasts* for Year 12. The last assembly, the last graduation, the last wellbeing picnic, the last BBQ and so on.

A worthy congratulations and thank you to Mrs. Ibrahim, our wonderful Year Advisor who has gone above and beyond in organising the multiple extra activities for Year 12. This includes the Wellbeing excursion to Manly, the farewell assembly and BBQ followed by the final official HSC Graduation farewell to the Class of 2023, and finally the Year 12 school formal.

We are greatly appreciative of all the time, passion, and meticulous attention to detail that our wonderful Year Advisor put into the organisation of all events as well as the time she has invested in each of our Year 12 students.

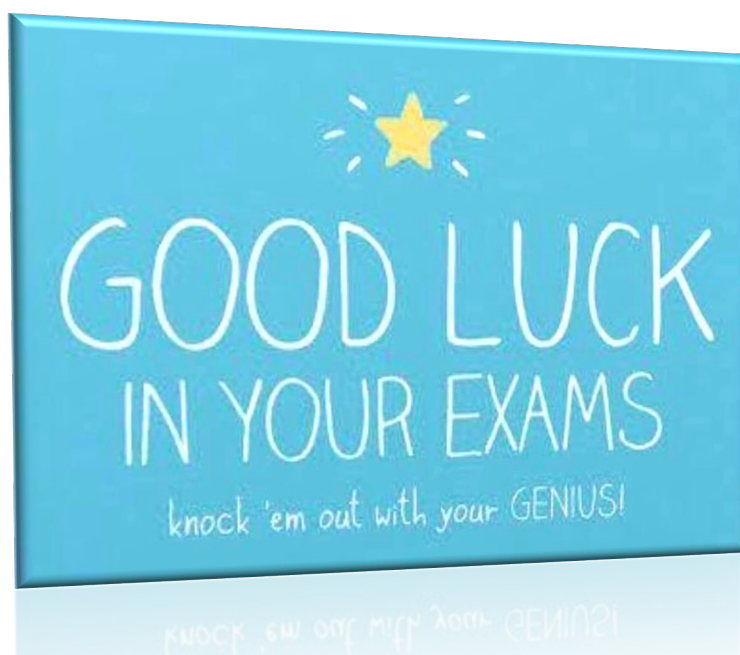

The Student of Excellence Luncheon 2023 celebrates the Academic Excellence and Academic Effort of students in all year groups.

As Deputy for Year 12, it is uplifting and positive to see the formal recognition of the following students from the Year 12 class of 2023 in academic excellence and effort:

Academic Excellence	Academic Effort

Year 12 had the opportunity to get a real experience of the HSC trial exams and expectations. The rules and standards remain the same in the final HSC exams. A reminder to all students that phones, smart watches and other similar devices must not be brought into the exam room. I would also like to remind you that the school has subscribed to ATOMI and encourage you to use this resource alongside with the valuable resources your classroom teachers have provided throughout the HSC program to help with your study.

On behalf of Auburn Girls High School, we congratulate Year 12 for getting this far and wish them all the best for the final HSC exams and beyond.

Sustainable Schools Grant for Auburn Girls High School

Our Library faculty won a Sustainable Schools grant from the NSW Department of Education for 2023. This term we began a compost trial for reducing food waste in our school and turning it into compost for growing plants and food. Michael Mobbs from Sustainable House in Sydney is advising us for the project. TAS students will be composting their food scraps from their kitchens too. The school canteen staff are tremendously supportive and are already sending their food waste to the compost bins. Year 7 Library Skills classes are using their research skills to learn about composting. A group of Year 10 Library Monitors have been leaders in working out processes for others to follow:

In the verdant grounds of Auburn Girls High School, a vibrant ecosystem thrives, fuelled by a passion for sustainability and a commitment to nurturing Mother Earth. At the heart of this green oasis lies a bustling composting initiative, where students and staff converge to create a symphony of decay and rebirth. With a dance of diligence and dedication, scraps of fruit and vegetable peelings, coffee grounds, and fallen leaves find their way into the compost bins, blending into a harmonious medley of organic matter. In this alchemical process, nature's magic unfolds, as microorganisms transform these humble ingredients into rich, nutrient-dense compost. The students, armed with pitchforks and shovels, engage in a choreography of turning, aerating, and monitoring the compost piles, ensuring the perfect balance of moisture and oxygen. As the compost matures, it becomes the lifeblood of the school's gardens, infusing the soil with vitality and nourishing the plants that burst forth in a kaleidoscope of colours and scents. Through composting, Auburn Girls High School not only cultivates a thriving ecosystem but also nurtures a generation of environmentally conscious individuals who understand the profound impact of their actions on the planet.

Composting is a process in which we convert organic waste into nutrient-rich compost that can be used to nourish plants and improve soil health. To engage in composting, we collect a variety of organic materials such as fruit and vegetable scraps, coffee grounds, tea bags, eggshells, yard waste, and even shredded paper. These materials are then added to a compost bin or pile, where they undergo decomposition. It's important to maintain a balance between "green" materials (rich in nitrogen) such as fruit and vegetable scraps, and "brown" materials (rich in carbon) like dried leaves or shredded paper. Additionally, proper aeration and moisture levels are essential for the composting process. Regular turning or mixing of the compost pile helps to introduce oxygen and speed up decomposition. Over time, the organic matter breaks down into nutrient-rich compost, which can be used to fertilise plants, gardens, or even potted plants. Composting not only reduces waste sent to landfills but also contributes to a more sustainable and eco-friendly lifestyle.

Japanese Excursion to the Cherry Blossom Festival

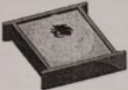

On Wednesday 23rd August our Year 8 Japanese class went to the Cherry Blossom Festival at the Auburn Botanic Gardens.

It was beautiful weather for 花見 or はなみ = hanami, cherry blossom viewing.

Students enjoyed recognising and eating Japanese food and watching some Japanese performances. Jasleen stunned us all with her Japanese drumming (Taiko) expertise.

Visual Arts

Students studying Visual Arts have been extremely busy this year! From Year 8 to Year 12, we have a range of talents on display with works created by all the students.

Congratulations to Year 12 Visual Art students, who have finalised and submitted their final Major Works for their HSC.

Year 11 students have created Pop Art inspired wearables (pictured), as well as a series of Natural Forms inspired ink drawings, prints and collage works (pictured).

Year 10 are currently finishing their quirky ceramic tea pots- keep an eye out for those in the next newsletter! Earlier in the year, they also created Pop Art inspired shoes and tote bags (pictured).

Year 9 have painted Landscapes earlier in the year (pictured) and have just finished realistic drawings looking at chocolate bars (pictured)!

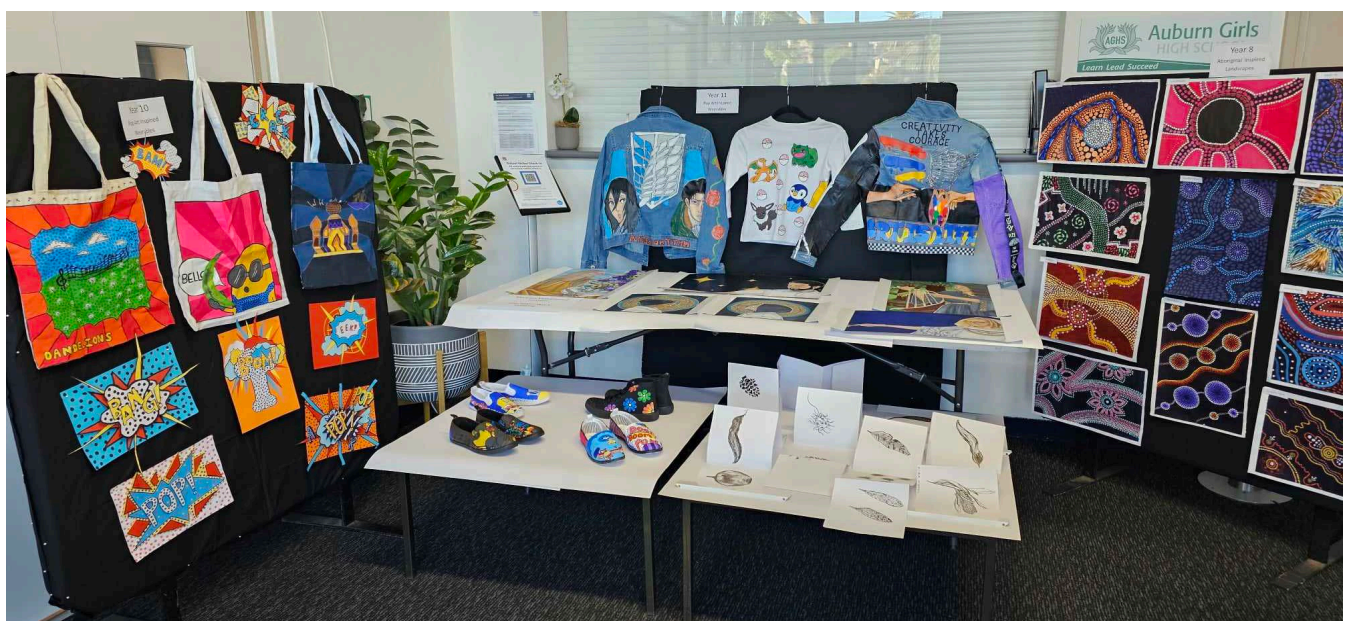

Year 8 are currently working on a collection of portraits, using their favourite celebrities as subject matter (pictured). This includes tonal drawings, text as tone (Micrography) and posterised paintings.

Support Unit

It has been a busy term in the Support Unit with our students participating in numerous extra-curricular activities this term along with our usual school program.

This term a group of students completed a barista course, and all received their barista certificate for their coffee making skills. Many students have also been at TAFE throughout the term and another group has participated in work placement gaining some valuable life skills out in the workforce each Friday.

Last week the whole Support Unit went down to Auburn Youth Centre to have lunch with some local police officers. The students enjoyed the day and were able to ask the police officers a range of different questions. Our Community Access Program has continued with our students going bowling down at Tenpin City, Lidcombe. The sensory garden is progressing nicely thanks to Dominic and his team, and our students often help out with the gardening.

Congratulations to our Year 12 students who will be graduating very soon, and we wish them all the best for the future.

Year 9 Commerce

Year 9 Commerce have been busy playing the Share Market game as part of their study of the investing topic. The share market game gives students a hypothetical \$50,000 to invest in real companies on the Australian Stock Exchange in an attempt to make the most money. Students have learned many lessons about investing by playing the game. Below is a screenshot of the Auburn Girls High School leader board for the game.

Book Week

This year we held a Book Week event in the school hall on Friday 25th August with our wonderful school band and our music teachers Michael Solomon and Jessica McVeigh. Michael Mobbs, an author and sustainability advisor who is helping our school with our compost trial, spoke at our event about this year's Book Week theme **'Read, Grow, Inspire'**. To introduce Michael to students and staff, a recorded Kamishibai story 'Keep Growing and Don't Give Up' was played on the drop-down big screen. This story had been narrated and recorded by six Year 10 Library Monitors and told the story of Michael Mobbs' life and environmentalism and explained why he is visiting and supporting our school for the compost trial. The story was a collaboration between the Librarian and the six Library Monitors: Reihaneh Rahmati, Samira Noori, Zulkhumara Abdreymova, Fritzie Carlos, Zahrah Tabassum and Manali Ghimire. They all won a prize each for their excellent narrative skills and for their production skills.

Nusayra Ayat from Year 7 was a winner in the Book Week event

Ghina won a Book Week prize for writing a book review about 'Misery Guts' by Morris Gleitzman, and Ava, Amira and Tayma won prizes for helping with the drawings.

For Book Week the Art Faculty staff and some other staff dressed up as book characters for the 'Find the Book Character' raffle – thank you for your support.

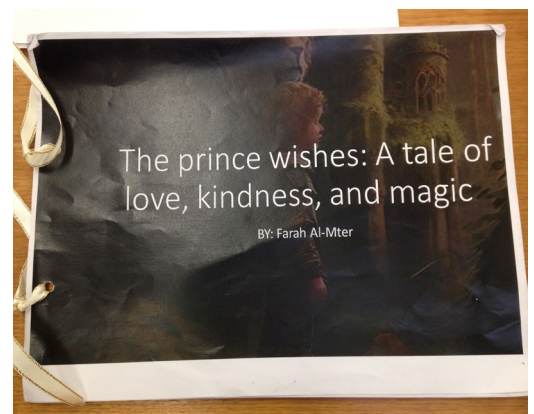

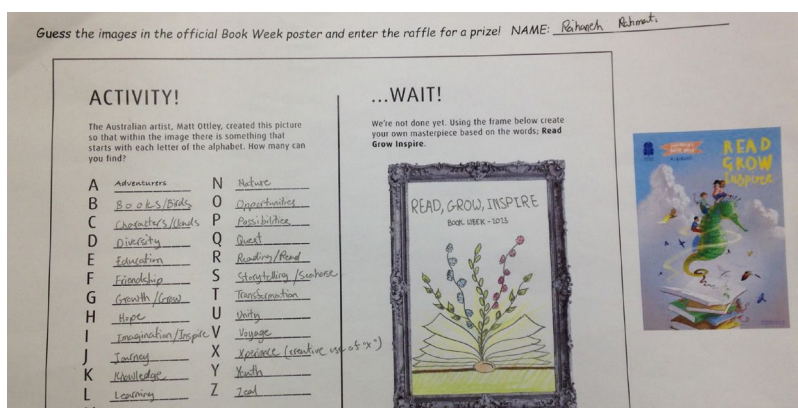

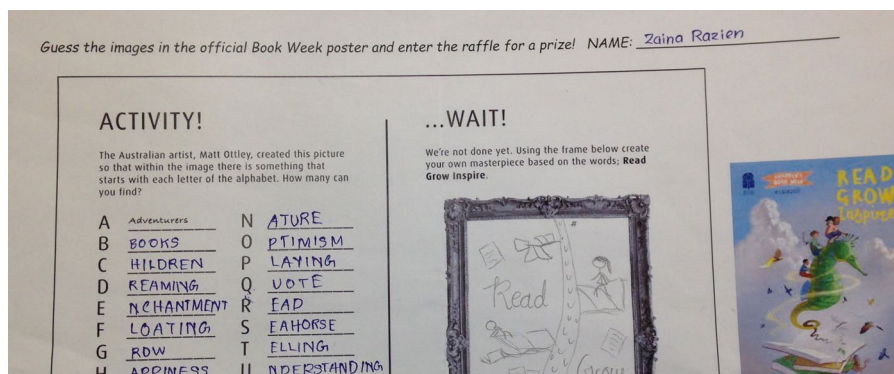

Students won prizes for entering book reviews, stories, posters, guessing words in the official Book Week poster, and for book character models they made.

A good time was had by all and we aim to make it an even better event next year.
